

HEAD: IPEX Named One of Greater Toronto's Top Employers 2025

FOR IMMEDIATE RELEASE

December 3, 2024

OAKVILLE, ONTARIO – IPEX is proud to announce it has been named to the prestigious Greater Toronto Top 100 Employer list by Mediacorp. Canada Inc. As part of the designation, IPEX was profiled in a special digital magazine, which can be [found here](#) and also on [the Globe and Mail's website](#).

"We are honoured to receive this noteworthy award," said Alex Mestres, CEO, Aliaxis Americas. "We are committed to providing our employees with a strong workplace culture founded on opportunities for growth and advancement, a positive atmosphere, competitive compensation, and more."

In addition to the magazine article, IPEX was also included in a [Globe and Mail](#) article announcing all the winners and was profiled on the [Canada's Top 100 website](#).

The Greater Toronto's Top Employers award is based on scores across eight criteria including workplace; work atmosphere and social; health, financial and family benefits; vacation and time off; employee communications; performance management; training and skills development; and community involvement.
